

Dear students,

Till now we have completed 3 chapters:

Soils of India, Natural vegetation, & Transport. After completion of each chapter,

You are suggested to learn 10 years question & ans what have been given at the back of your individual chapter within pink pages.

Today I have given three project topics from where you have to choose any one.

Page limit 25-30 pages.

Topics are:-

1. Wild life conservation in India.
2. Tourism development in India.
3. Transport development in India.

Thank you

Debosmita Banerjee.
